Your credit card will be charged the appropriate registration fee (\$48 for a single student or \$65 for a family.) The credit card you supply will not be charged any other fees without your written permission. If you would like us to automatically charge fees to your credit or debit card on their appropriate due dates, please complete an [Automatic Draft Credit Card Release Form](#) and bring it by either studio office.
- If you prefer, you may stop by either studio during regular office hours to complete a registration form and pay your registration fee, however, please keep in mind that online registration places your dancer into a class immediately (in real time,) whereas registrations taken at the studio must wait on manual data entry. To ensure your spot in class immediately, online registration is necessary and recommended.
